Dear Parent/Guardian,

Re: Diphtheria/Tetanus/Polio and Meningitis ACWY vaccinations due in Year 9

Your child is now due their Teenage Booster Immunisation as part of the childhood vaccination programme.

We now have an electronic consent system where you can access the consent form. Please click on the hyperlink below.

<https://www.southernhealthimmunisations.co.uk/forms/DTP>

The unique code for your child's school is **SH116639**

This code must be manually typed in. When you have submitted your form, you will receive a confirmation email (this may go into your "junk" folder). If you do not receive the email, contact the school who can verify whether it has been submitted.

We are due to visit your child's school on **Friday 5th February 2021**.

Please submit your form by 5pm on **Friday 29th January 2021** to ensure your child receives their vaccination. Guidance on how to complete a form can be found at <https://www.hampshirehealthyfamilies.org.uk/school-age-immunisations>. The e-consent form can also be accessed through this website.

If your child is absent on the day of their vaccinations, the School Age Immunisation Service will offer a further opportunity for them to receive the vaccines in school.

Further information about these vaccines can be found at www.nhs.uk/vaccinations.

If you would like to speak to a nurse about these vaccines, please contact your local Immunisation team on the contact number above.

Yours faithfully

School Age Immunisation Team
