Dear Parents/Carers

HOME TESTING KITS

We have now completed in-school Corona Virus testing for those pupils that wished to have this. All testing should now be done at home.

Please find enclosed a box of seven home testing kits. If you wish your child to take part in the NHS Test and Trace testing programme please ensure that they complete a test on a Monday and Wednesday morning before coming in to school.

Test results should be reported online using the Government website as explained in the enclosed information leaflet. There is no need to inform the school of negative test results. Any pupils that test positive should not be sent to school and should self-isolate for a minimum of ten days.

If your child does not want to take a test, the home testing kits can be used to test parents, carers or other family members if you wish. Please do not return unused or unwanted kits to school.

If you have any questions regarding testing of pupils, please do not hesitate to contact me by e-mail in the first instance.

Yours faithfully

Mrs A Williams
